Athletics Philosophy

DAIS/DHS/DHBS/Heritage believes that:

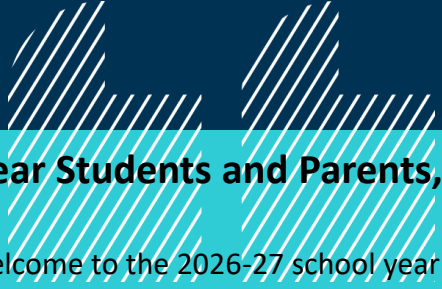

- Athletic activities are integral to the holistic educational and schoolwide learning outcomes.
- The athletic program supports the actualization of the school's mission, vision and schoolwide learning outcomes.
- Athletic activities provide opportunities for students to explore and areas of interest, promoting the development of both collaborative and individual knowledge and skills.

Schoolwide Learner Outcomes

- Learners will become respectful and trustworthy global citizens that demonstrate strong character through responsible, fair, and caring actions.
- Learners will exhibit resilience, courage, initiative, creativity, and curiosity as they pursue personal excellence in intellect and health.
- Learners will become skilled innovators, critical thinkers, and problem solvers who are technologically literate.
- Learners will appreciate and reflect on the influences of cultures in their interactions with others.
- Learners will contribute to the interdependent world around them through inquiry and action.

Sea Dragons Athlete Core Values

Leadership | Respect | Disciplined | Reflective |
Team Player | Sportsmanship

Dear Students and Parents,

Welcome to the 2026-27 school year of Sea Dragon Athletics! The start of the school year brings excitement as our student athletes look forward to developing their talents, serving and representing our community, whilst striving towards personal excellence.

The Athletic & Activities department oversees the **After School Activities (ASA)** program as well as the competitive interscholastic sports teams. **Athletic Program** offerings at Dalian American International School (DAIS) / Dalian Huamei School (DHS) include Volleyball, Table Tennis, Cross Country, Basketball, Swimming, Soccer and Badminton. 2025/26 saw record numbers and increased number of competitions and this year will be no different with more opportunities for our student athletes. There is a separate **ASA Handbook** outlining that program.

This handbook includes school policies and procedures and addresses philosophical standards that we hope to achieve through our athletic program.

Students are ultimately in school to learn. It is our desire for students to learn the skills needed to be successful in the sporting arena but also lifelong skills of perseverance, responsibility, and dedication. In order for our student-athletes to be successful in athletics, success needs to be met in the classroom. Being involved with a DAIS/DHS sports team is a privilege and carries with it responsibilities. With a focus on time management and personal organizational skills, excellence in both athletics and academics is achievable.

Good luck to all student-athletes on the year ahead.

Go Sea Dragons!

**Whole School Director of
Athletics:**

Mr. Paul Robinson

Athletic Program Development Phases (Levels of Participation)

Ages	Phase Name	Purpose
Under 8	FUNdamentals	Learn basic fundamentals, in a fun and engaging environment
Under 12	Enjoying Practice	Build Technical Skills Begin to understand importance of teamwork
Under 15	Developing Practice	Teamwork, effort and commitment essential Execute skills effectively in game situations
Junior Varsity	Understanding Competition	Nurture athletes love of sport Development of independent thought and skill execution Perform relative to team strategy and practice and competition
Varsity	Training for Competition	Be prepared technically, tactically, physically and mentally Continue to perfect the skills of the sport

- This list is not exhaustive
- There may be overlap across the phases depending on individual skill development and experiences

Sportsmanship Expectations

Participation is for those who potentially have the skills, attitudes, and willingness to work hard to improve their respective sport/s.	Playing time in scheduled contests is earned through displaying respect, positive attitude, being coachable knowledge of the sport and showing a willingness to work to best of ability.
Success is measured by growth and playing to our potential; not by the win/loss record.	The needs of the team must come before the needs of the individual.
The coaching staff, athletes, administration, parents, and fans should always act in a manner that would enhance the positive image of the school and community.	Athletic participation is intended to benefit all athletes by teaching fundamentals, strategies, and behavior that will enable our teams and athletes to be successful.
Athletes are encouraged to participate in more than one sport throughout the year.	It is important that we support our Sea Dragons teams, observe and learn from the other teams participating in competitions. Therefore, athletes will not be permitted to use mobile devices whilst on the host school campus.

Try-Outs/Expectations/Playing Time/Uniform

Try-Outs	Are very much dependent on the numbers of athletes who sign-up to join a team. At U12 and U15 level currently anyone who wishes to participate in DISA competition is able to as the school is able to field multiple teams. At U15 a squad maybe selected for NESSIC competition but should not mean athletes are not allowed to practice. At Varsity/U19 level squad selections need to be made for NESSIC and ACAMIS competitions, however as a school we strive to give opportunities for athletes that do not make these squads to represent the Sea Dragons in at least 1 friendly game.
Playing Time	Participating on an athletic team is a privilege, not a right. Coaches determine playing time based on respect, attitude, coachability, knowledge of the sport and athletic performance. Student athletes who have questions about their playing time or would like to identify areas for improvement should schedule an appropriate time to talk with their coach/es.
Sea Dragons Team Uniform	Team Uniform can be ordered during specific windows from RocketScience Sports. The ordering windows are specific to athletic seasons. The team coach will allocate the shirt number
Sea Dragons Travel Kit	For 2025/26 academic year all athletes involved in ACAMIS/NESSIC/DISA tournaments will be required to purchase Sea Dragons tracksuit top, travel polo shirt- which is the “Sea Dragons standard” This kit will be the same across all teams so is a one-time purchase. The cost of the travel kit will be added to the cost of the tournament for athletes who require it. Bills for those athletes who already have the travel kit will be adjusted accordingly. The Athletics and Activities Department will make orders directly.
Sports Glasses	From the ACAMIS Charter for all team sports and some individual sports: “Students requiring glasses should be wearing contact lenses or glasses/goggles rated for use in sporting events.” This will also be part of the rules for NESSIC tournaments and be added as a recommendation for DISA tournaments. Referees and tournament director have the right to refuse to allow players to play who do not adhere to this guideline.
Additional Kit	A number of Sea Dragons teams have a tradition of designing hoodies, t-shirts and training kit. These are not considered compulsory and are optional.

Student-Athlete Discipline

We expect all of Sea Dragons Athletes to also be accountable for their own study and ensuring that their grades and behavior are in good order. Sea Dragons Athletes and parents should be fully aware of the potential consequences for misdemeanors listed below:

Sea Dragons Athletes are expected to:

- Sign-Up for the chosen sport by the specified deadline.

Academics and Attendance:

Athletes will not be eligible for participation in friendlies and competitions if they have more than 2 “D” Grades.

Athletes who are absent during the day should not attend team practices (athletes must in class for the full day, not part of the day). Attending practice after not being in class/es could be considered as skipping class.

Athletes who are missing more than 2 assignments in a subject will not be considered eligible for friendly matches and competitions.

Athletes may be removed from team if they display consistent poor behavior in class.

If an athlete is guilty of skipping class they will serve a 1-game suspension for the first offence, and if repeated the athlete will be withdrawn from the team.

If suspended from school athletes will serve a 1-game ban for each day of suspension. If nature of suspension is deemed serious athlete could be withdrawn from team.

ATHLETE STUDY HALL

In order to support our athletes to keep on top of their schoolwork and be able to attend practices the Athletics and Activities office operate Study Hall.

- For U19 athletes this will be held on Mondays after school.

Study Hall is a fully supervised session where athletes can take reassessments, serve detention time or catch up on assignments that they are behind with. This should mean that athletes do not miss practices which impacts the team and their teammates.

- If an athlete has any “D” grades they will be required to attend study hall until grades improve.
- Teachers will make referrals regarding Study Hall
- Athletes will be contacted on teams chat and via email regarding attendance at Study Hall.
- If an athlete fails to attend study hall they will be given the following consequence:
 - First offence: 1-game suspension
 - Further offence: Removal from the team for the season

Age Eligibility

Organisation	Age Level	Eligibility Criteria
ACAMIS	U19	Must not have turned 19 before August 1 st 2026. Born on or after 01/08/2007
ACAMIS	U14	Must not have turned 14 before August 1 st 2026. Born on or after 01/08/2012
NESSIC	U19	Must not have turned 19 before September 1 st 2026. Born on or after 01/09/2007
NESSIC	U15	Must not have turned 15 before September 1 st 2026. Born on or after 01/09/2011
DISA	U15	Must not have turned 15 before August 1 st 2026. Born on or after 01/08/2011
DISA	U12	Must not have turned 12 before August 1 st 2026. Born on or after 01/08/2014

Male/Female Sea Dragon of the Year (U15/U19)	Be an excellent role model to others Display exemplary sportsmanship Be a positive ambassador for DAIS/DHS Represent Sea Dragons in at least 2 Sports
Meagan Michalik Award	Be an excellent role model to others Display exemplary sportsmanship Be a positive ambassador for DAIS/DHS Represent Sea Dragons in at least 2 Sports Be an excellent scholar in academics

Travel Expectations

Topic	Explanation
Travel Costs	Families are responsible for the costs involved in travel events and tournaments. Those costs include but are not limited to; flights, hotels, registration fees, ground transportation, coach expenses. An estimated expense breakdown will be given before each trip your child is selected for.
Current Travel Documentation	It is the student's responsibility to provide current up to date travel documentation to the athletics office. If you update your documentation, please inform and provide a copy to our office as soon as possible.
Medical Insurance	As part of the travel cost DAIS/DHS will purchase insurance coverage for the duration of the tournament in case of injury.
Transportation	Students will bus together from the DAIS/DHS/DHBS campus to and from airport, train station or venue if in Dalian. Parents need to inform the Athletic Director and Head Coach if they are travelling on their own or if they intend to take their child to and from the destination (for travel from Dalian this is only permitted if departure from airport or train station is early.
Attendance in Class	For travel departures that occur during the school day (10am onwards) athletes are expected to be in school and attend classes prior to departure. Failure to do so will result in loss of game time or the possibility of not being permitted to travel as it could be counted as an 'absence from school'. If the latter is applied the school will not be liable for any refunds.
Travel Kit	Travel Kit should be worn in all airports, train stations, at tournament opening ceremonies. This is the Sea Dragon standard.
End of Tournament Awards	Athletes should be in some form of Sea Dragons kit for closing ceremonies/awards/photos. This can be the travel tracksuit or the team uniform worn in the competition.
Room Arrangements	Will be determined by the team coaches and/or the Athletics Director
Hotel Conduct	Under no circumstances should athletes go into the room of other people. If athletes wish to mix they should do so in the foyer or in the hotel lobby area. Athletes caught in other rooms will see a reduction in game time and risk potentially being sent home.
Tardiness	Being tardy for the bus will result in athlete missing game time, which could potentially harm the teams opportunity to progress further in the tournament.

Serious Misconduct

The following are considered to be acts of Serious Misconduct

- Breaking Curfew
- Use of Alcohol
- Drug Use
- Smoking or Vaping
- Staying in or going into any other hotel room (same or opposite gender)
- Switching Rooms

The potential consequences for Serious Misconduct are as follows:

- Removal from team
- Game Suspensions/loss of playing time
- Removal from athletics program for rest of year and/or following academic year
- Potentially parent being required to collect athlete from competition location and bring back to Dalian at own expense
- Athletes could be subject to further sanctions from school on return to Dalian

Historical Travel Costs - ACAMIS

Sport	2023/24 Location	2023/24 Cost	2024/25 Location	2024/25 Cost	2025/26 Location	2025/26 Cost	2026/27 Location

Travel Costs cover the following: Participation Fees, hotel accommodation, flights/train tickets, ground transportation and shared associated costs for coaches and chaperones.

When tournaments are hosted by DAIS/DHS participants are still expected to pay tournament participation fees at same rate as visiting schools

Parent Expectations

It is important that the parents support both the school, coach and athlete with their sporting activity, to this end DAIS/DHS/DHBS have the following expectations of parents:

We are not a Sport Academy and the interschool athletics program is built on teachers volunteering their time to give athletes important life experiences that are a significant part of a holistic education. Success is not simply measured in medals and trophies but how our athletes, coaches and parents conduct themselves as ambassadors for the Dalian Sea Dragons.

Respect all players, coaches, referees.

Ensure child's passport/ID/residence permit have the appropriate status for travel (more than 6 months before expiry).

Support all participants in the team.

Leave coaching decisions to the coach's professional experience, discretion and judgement.

Display good sportsmanship, always being a positive role model for athletes.

Enjoy the wonderful opportunities that are available to your child.

Support coaches techniques, drills, expectations and directives, even when your child complains. Otherwise, address concerns in a professional and constructive manner directly with the coach.

Meet all deadlines set by the Athletics and Activities Department.

Complete all requested forms/documentation are submitted in a timely fashion

AIR QUALITY INDEX (AQI) GUIDELINES

AQI*	Classroom	Recess	PE	Outdoor ASAs	Secondary Athletic Practice, Competitions & ACAMIS
0 - 100	Activities as normal, no restrictions.	Activities as normal, no restrictions.	Activities as normal, no restrictions.	Activities as normal, no restrictions.	Modifications to times / formats will occur in response to an AQI reading of over 175, with stoppage or delay to occur at over 250. If parents see a need to withdraw their student from participation due to the AQI they should communicate directly with the coach / Athletic Director.
101 - 150	Any student who has respiratory or other heart/lung conditions should stay indoors, windows and doors closed. Turn on air purifier.	Any student who has respiratory or other heart/lung conditions should stay indoors. Staff should stay alert to students having difficulty breathing and can suggest less strenuous activities for students.	Any student who has respiratory or other heart/lung conditions should stay indoors. Staff should stay alert to students having difficulty breathing and can suggest less strenuous activities for students.	Increase rest periods for all students. Any student who has respiratory or other heart/lung conditions should stay indoors.
